But the Lord seen some siinnin' and it caused him pain. He said, "Stand back, I'm going to make it rain.

Noah Cried, "Close the doors, cause the rain is pourin' and we just can't wait for those unicorns

G D G  
And then the Ark started movin', a driftin' with the tide. Those unicorns looked up from the rocks and they cried  
G7 C G D G  
And the water came up and sort of floated them away. That's why you've never seen a Unicorn to this very day
